RE: Docket #92-235

Gentlemen:

As President of the Oglesby Fire Department in Oglesby, Oklahoma, I wish to register a strong objection to your proposed replacement of Part 90 by Part 88 to revise Private Land Mobile Radio Services and modify the policy governing them. (F.C.C. Docket #92-235)

Our department uses mobile and hand-held radios. Replacement of these units, as required by the proposed rule change, would require an exorbitant outlay of money which volunteer organizations such as ours can ill afford.

In view of the above, we respectfully request you forego the proposed rule change and seek a more favorable solution.

Wayne Holden
